

Dear Colleagues and Friends,

On behalf of the Badge Organizing Committee at PUT, we would like to invite you to the Erasmus+ Badge (2019-1-FR01-KA203-063010) Conference:

Multiplier Event:

The Open Education Resources Platform, the Badge and Certification System

Event dates: **June 22-24, 2022**

Venue: **Poznan University of Technology, Centre of Languages and Communication,**

This conference targets and aims to bring together **academic teachers, language teachers, administrative staff** working in universities and continuing education institutions around Europe and beyond who have an interest in engineering education along with other **graduate-employment stakeholders** for a two-day event featuring: **themed sessions, keynote speakers, and panel discussions with partners.**

This conference will be the evaluation and dissemination event for the tools developed through the Intellectual Outputs and will be an opportunity to gather feedback from target users.

There is no registration fee to participate in the conference.

To register, please click the following link
